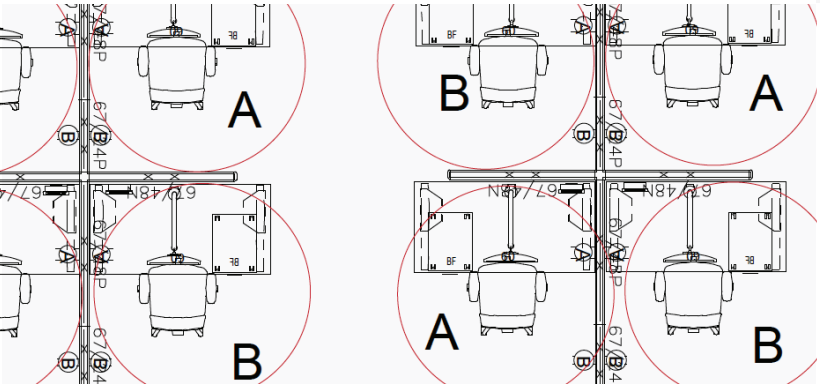
CORT

REDO.
REUNITE.
REGAIN GROUND.

Prepare your workplace for re-entry with Furniture as a Service.



CORT's Furniture as a Service (FaaS) empowers you to make changes that support social-distancing requirements while offering employees the personal space they need to feel comfortable returning to the office. As recommendations shift, CORT's rented furnishings can flex with you—so you're prepared for the unpredictable.

PREPARE FOR TODAY, TOMORROW, AND BEYOND.

CORT's FaaS is the ultimate support system that can help you solve for the here and now, but can also best position you for the future.

- Balance safety with productivity
- Establish normalcy and rhythm
- Employ solutions that enable you to pivot
- Make smart investments, not permanent ones
- Embrace change as space and protocols evolve
